1. INTRODUCTION

North West Taekwondo (Sports & Fitness) Ltd (NWTKD) seeks excellence in every aspect of our business and is committed to minimising the environmental impacts of our business.

2. AIMS

The aims of Environmental policy are:

- Continuously improve our environmental performance and to integrate recognised environmental management best practice into our business operations.
- Reduce our consumption of resources and improve the efficient use of those resources.
- Take action to reduce the carbon footprint of our business.
- Manage waste generated from our business, incorporating reduction, re-use and recycling in accordance with the principles of waste hierarchy.
- Manage our business operations to prevent pollution.
- Ensure environmental, including climate change, criteria are taken into account in the procurement of goods and services.
- Comply as a minimum with all relevant environmental legislation as well as other environmental requirements.

3. ACTIONS

To meet our requirements we will:

- Monitor key objectives and targets for managing our environmental performance.
- Communicate the importance of environmental issues to our stakeholders.
- Work together with our Instructors, students, parents, service partners, suppliers, landlords and their agents to promote improved environmental performance.
- Where possible remove all paper based processes, using online processes only.
- Where possible use electric vehicles or public transport for travel.
- Review our environmental policy regularly.
